21 DAY SAFARI (Northern outreach)

The Gospel Safari departs from South Africa where we then travel to Botswana, on to Zambia, through Zimbabwe and back to South Africa. Some of the areas to be visited will be the Okavango delta, Chobe National Park Botswana, Livingstone, Victoria Falls, Hwange national park, Kruger National Park and other interesting places along the route. En route we visit several programs which include feeding schemes, healthcare, literacy programs, small maintenance and construction projects as we visit rural schools, villages and mission stations.

The overland Safari package includes all transfers from O.R Tambo Johannesburg or Cape Town International Airport to all the different countries, accommodation and meals. Most of the accommodation will be at various mission stations, in local villages, at churches, tents and at some places along the way accommodation can be in huts, bush lodges or bungalows.

14 -17 DAY SAFARI (Southern outreach)

International volunteers are collected at either OR Tambo International Airport (Johannesburg) or Cape Town International. From Johannesburg we travel through the Drakensburg Mountain range in Western KwaZulu-Natal visiting several rural community programs. We move to the Eastern Cape traveling all the way along the Kwa-Zulu Natal and Eastern Cape coastline.
